

KITCHEN & BATH CABINET DESIGNER

Agape Construction Company is a full-service Design and Build Remodeling Company based in Kirkwood, MO with an A+ rating from the BBB. We have an excellent reputation and operate with integrity.

We are looking for an experienced KITCHEN AND BATH CABINET DESIGNER to provide cabinet design and online ordering for our clients. This part-time opportunity for a skilled designer offers the flexibility of remote work; however you must be available for client meetings in the office and for home site measure-ups.

Ideal candidate will have:

- Strong proficiency in 20/20 and Microsoft Office products – Word, Outlook, Excel
- Extensive experience designing kitchen and bath cabinetry layouts
- Experience presenting design layouts, bids, and pricing with customers
- Ability to articulate deadlines, expectations and needs with customers, vendors and managers
- Experience ordering multiple cabinet lines through online portals and checking orders for accuracy
- Basic Residential Construction / Remodeling knowledge
- Excellent communication skills, strong attention to detail and the ability to complete projects accurately and on time are a must.

Employment type: Independent Sub-Contractor or part-time employee (average 20 hours per week)
