The ideal candidate will:

- Be proficient in Chief Architect for residential design
- Have a minimum 2 semesters of college level REVIT courses
- Be able to draft residential drawings/construction docs in CHIEF ARCHITECT and REVIT
- Be able to take accurate measure-ups of existing residences
- Have knowledge of residential construction means and methods
- Be able to read and understand construction documents and details
- Be detail oriented and able to work in a fast-paced environment
- Be proficient in Microsoft Office software – Excel, Word, Outlook

Bonus experience - Big plus if you also have experience:

- Developing construction documents for Residential permitting
- Obtaining permits from multiple local municipalities
- Presenting drawings to review boards for design approvals

Compensation: Commensurate with experience

Location: Kirkwood, MO (working remotely is not an option)

Employment type: full-time

Agape Construction provides great benefits, including:

- Health and dental insurance
- Paid vacation, PTO and holidays
- Simple IRA match
- Great work environment with good work / life balance
